## Brown-Betty Button RECIPE:

Melt 2 sticks butter over medium heat until browned, then cool. Make Classic Sugar Cookie dough with the browned butter in place of the 2 sticks butter and use just 1 egg yolk and 3/4 cup granulated sugar total (omit confectioners'). Scoop into tiny balls and bake 10 to 12 minutes at 325 degrees. Cool, then sandwich with raspberry jam and dust with confectioners' sugar.

## Maintenance's Corner :

- Please move cars at specified times to prevent towing. (10am weekdays and 11am weekends)
- Please remove all mats from entrances, they will get stuck in the snow blower.
- During a snow storm, it is crucial to have residents move vehicles at least 1 time per day so that we can properly clear the snow.
- While parking vehicles, it is important to remember to not park over the sidewalk. We need to be able to get the snow plow through to clear the snow.
- If you are planning to leave your apartment for long periods of time, please be sure to set your thermostat to 55 degrees while you are gone. Also, you need to notify the leasing office that you will be out of town. Vehicles may be parked in front of the leasing office while you are gone.
